Good to hear. I have a top priority task that I need you to work ASAP. Please give me a call when you have about 10 minutes of free time this afternoon or first thing (7:30 I should be in) tomorrow morning. Thanks, lw

Good test....I called in to hear Sandy's talk on the Gold King Mine....so that kind of puts me up to date. Kind of shows that working from home can work.

See you Wednesday.
